

Mailed 6/22/10  
Asarco  
from Blaine Cox  
to Linda Jawbser

Linda,

Enclosed is the only drawing I found so far that shows a location of a septic tank at the Zinc plant furnace area.

When I get some spare time, I will search some more. I never found any sewer line details on the Anaconda bathhouse or the Zinc baghouse bathhouse. I assume the sewer discharged to the East Helena POTW but I haven't found any drawings to verify that.

Thanks....Blaine
